TO THE HONOURABLE WILLIAM ROSS MACDONALD, P.C., C.D., Q.C., LL.D.,
Lieutenant Governor of the Province of Ontario.

MAY IT PLEASE YOUR HONOUR:

The undersigned has the honour to present to Your Honour the Public Accounts of the Province of Ontario for the fiscal year ended March 31st, 1973, in accordance with the requirements of The Ministry of Treasury, Economics and Intergovernmental Affairs Act, 1972.

Respectfully submitted,

JOHN WHITE,
*Treasurer of Ontario,
Minister of Economics and
Intergovernmental Affairs.*

Toronto, October 31, 1973.

TREASURER'S REPORT

It is with pleasure that I present the 1973 Public Accounts of the Province of Ontario. The Public Accounts reviews the finances of the Province for the 1972-73 fiscal year.

Economic developments and the Government's discretionary fiscal actions have played an important part in shaping the Province's finances. These factors are described in the annual Budget and the Ontario Economic Review. Details of financial developments in the current fiscal year may be found in a quarterly publication, Ontario Finances, which reports on the in-year performance of the budget.

The 1972-73 fiscal year was the first full year of operations for the Province under the new structure of government recommended by the Committee on Government Productivity. Programs formerly carried out by the Ontario Hospital Services Commission and the Ontario Water Resources Commission have been absorbed by the Province's Consolidated Revenue Fund. Expenditures are reflected under the new program-oriented structure of policy fields and ministries within policy fields.

Any comments or queries readers of the Public Accounts may have will be most welcome and should be directed to the Treasury Division of the Ministry of Treasury, Economics and Intergovernmental Affairs.

A large, stylized handwritten signature in black ink, appearing to read 'John White'.

JOHN WHITE,
*Treasurer of Ontario,
Minister of Economics and
Intergovernmental Affairs.*

Toronto, October 31, 1973.

EXPLANATORY NOTES

1. SCOPE OF THE PUBLIC ACCOUNTS

The 1972-73 Public Accounts of the Province of Ontario comprise three volumes:

Volume 1 contains the financial statements of the Province.

Volume 2 (to be issued at a later date) contains the financial statements of those Provincial Crown corporations, boards and commissions in which the Province has an investment or which have an advance from the Province.

Volume 3 (to be issued at a later date) contains the details of expenditures required by the Standing Committee on Public Accounts.

2. BASIS OF REPORTING

The financial statements reflect the "cash flow" principle of accounting used by the Province of Ontario in which transactions are recorded as cash flows into and out of the Consolidated Revenue Fund. As the name implies, it is through this fund that provincial monies must pass in accordance with the annual budget approved by the Legislature whose duty it is to report to the public on the source and disposition of the revenues which it receives.

With respect to the financial operations of the Provincial Crown corporations, agencies, boards and commissions, the financial statements presented in Volume 1 reflect (i) the year-end position of the advances to or the investments in these entities which are made from the Consolidated Revenue Fund and (ii) the extent to which their operations have been financed from or have contributed to the Fund for the year.

The transactions of the Consolidated Revenue Fund are presented on a basis designed to highlight the three distinct areas of government activity:

"budgetary transactions", which relate to operational activities;

"non-budgetary transactions", which relate to the lending, investment and trust administration function; and

"debt transactions", which relate to borrowing and repayment.

Part of government's role is to provide facilities which have lasting value, such as roads, buildings, and other public works. Such expenditures on fixed assets do not produce income in the same way as is expected of expenditures on fixed assets of a business. Nor can it be said that expenditures on a new road, for example, will benefit future tax payers in a way which is significantly different from expenditures on education or the prevention of forest fires. Accordingly, provincial expenditures on fixed assets are treated as non-recoverable expenditures of each fiscal year and are carried at a nominal value.

3. REPORTING OF MINISTRY EXPENDITURES

Volume 1 contains three separate expenditure statements for each ministry:

"Statement of Expenditure by Program"

This statement provides an overview of the expenditures of each ministry. It shows, by ministry program and in total for the ministry, the amount of the current year's actual expenditures which is compared with the related appropriation for the current year and the previous year's actual expenditures.

Ministry totals for statutory appropriations, expenditures and disbursements and charges and debt transactions—retirements are also shown.

"Statement of Expenditure by Program and Activity"

This statement, prepared for each ministry program, is designed to show the activities comprising the program. The appropriation for each activity is analyzed according to funds appropriated through the Expenditure Estimates or approved by Management Board and the total is compared to the actual amount spent for the fiscal year. Statutory payments are reported separately. The "program description" narrative contained in the Expenditure Estimates is included with the statement to provide the reader with a general description of the program.

"Details of Expenditure by Activity and Standard Accounts Classification"

This statement reports actual ministry expenditures for each program at the identical level of detail provided in the Expenditure Estimates where the funds were voted; i.e. on the basis of the Standard Accounts Classification within each activity as shown in the 1972-73 Expenditure Estimates. Thus both the Expenditure Estimates and the actual expenditures are expressed on the same basis so that the reader can compare planned performance with actual performance.

4. STANDARD ACCOUNTS CLASSIFICATION

The following is a brief outline of the types of expenditures included in each of the eight Standard Accounts comprising the Standard Accounts Classifications:

Salaries and Wages

Includes salaries and wages, overtime and other remuneration paid to regular, probationary and unclassified staff. It also includes indemnities and allowances paid to Members of the Legislative Assembly, and foreign service and other special allowances paid to public servants.

Employee Benefits

Includes the Government's contribution as an employer to the Canada Pension Plan, the Public Service Superannuation Fund, the Unemployment Insurance Fund, the Workmen's Compensation Board, and the other employee benefit plans.

Transportation and Communication

Includes travelling expenses of public servants on government business and recipients of government services, such as wards of the Province. Also, included are relocation expenses of public servants who are transferred, expenses of moving office furniture and equipment, and costs of transportation of goods other than for initial delivery.

Includes mailing costs, such as postage and registration; and communication costs, such as telephone, telegram, and data communications.

Services

Includes charges for information services, such as, advertising provided by professional agencies, advertising placed directly with the media, and services for the production of ministry publications and films.

Also included are charges for the rental and the purchased repair and maintenance of machinery and equipment, buildings, land and engineering structures.

Includes charges for data processing services and printing and duplicating services. Also included in this account are insurance premiums and other miscellaneous charges for special services.

Supplies and Equipment

Includes the purchase of all machinery and equipment, both new and used. Also includes the purchase of all materials, supplies and utilities.

Acquisition/Construction of Physical Assets

Includes all costs of acquisition and construction by contract of new and used buildings and engineering structures. Also included in this account is the cost of acquisition of land.

Transfer Payments

Includes grants, subsidies, allowances, etc., to persons, the business sector, non-commercial institutions and other governmental bodies.

Other Transactions

Includes several special transactions, such as, Ontario Development Corporation—Loan forgiveness and Guarantees and Municipal Taxes on A.R.D.A. owned property.

Statutory appropriations and disbursements and charges and debt transactions—retirements are not Standard Accounts. Accordingly amounts spent on them are shown, where applicable, as separate entries under the Standard Accounts Classification details relating to each activity.

ONTARIO WATER RESOURCES COMMISSION

The Ontario Water Resources Commission was established in 1956 and had let extensive contracts for the building of water and sewage systems to serve municipalities. Under the agreements with individual municipalities, costs of construction and operation of the municipal projects are fully recoverable over the period of years provided in the agreements. As part of the restructuring of government operations in April 1972, the Commission has been dissolved and its former functions are carried on as a responsibility of the Minister of the Environment. Effective April 1, 1972, the assets of the Commission were absorbed and the liabilities assumed by the Province.

The following schedule illustrates this Consolidation of the Commission's assets and liabilities which have been absorbed into the Province's statement of assets and liabilities.

I have examined the above Statement of Assets and Liabilities of the Province of Ontario as at March 31, 1973, the Statements of the Consolidated Revenue Fund, the Revenue and Expenditure and related statements for the year ended on that date.

Subject to the comments in my report to the Legislative Assembly as required under section 20 of The Audit Act, in my opinion these financial statements present fairly the financial position of the Province as at March 31, 1973 and the results of its operations for the year then ended and were prepared in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The Crop Insurance Commission of Ontario.....		600,000
		<u>1,293,115,508</u>

Financial Statements of these Commissions are shown in Volume 2 of the Public Accounts for 1972-73.

Advances, secured by bonds, are made to The Hydro-Electric Power Commission of Ontario from the proceeds of debentures issued by the Province of Ontario for that purpose under authority of The Power Commission Act. As security for the advances, the Province holds bonds of the Commission for the principal amount with the same interest rate and terms as the related Province of Ontario debentures.

Unsecured advances were made to the Commission, representing the Province's share of the capital cost of the first two units of a nuclear powered generating station at Pickering. The estimated capital cost of these two units is \$401,480,126 and under the terms of the agreement the Province's share will be approximately \$120,703,491. Repayments of \$4,563,776 were received during the fiscal year 1972-73 in accordance with the agreement, which in a broad sense, provides for payments of amounts representing the net operational advantage of having the power generated by Pickering units 1 and 2 as compared with coal-fired units similar to Lambton units 1 and 2.

The advances to the Ontario Northland Transportation Commission were made to provide funds for construction and equipment. These advances are non-interest bearing.

The Crop Insurance Commission of Ontario was established in 1966 to administer plans of crop insurance and related activities in Ontario and generally to administer The Crop Insurance Act (Ontario).

Financial Statements of these Crown Corporations are shown in Volume 2 of the Public Accounts for 1972-73.

The Ontario Universities Capital Aid Corporation was established in 1964 with the object of purchasing from colleges, universities, the Art Gallery of Ontario and the Royal Ontario Museum, bonds or debentures issued by them for approved capital construction projects. The advances bear interest and are repayable to the Province in the same amounts as the yearly instalments become due on the debentures purchased by the Corporation.

The Ontario Education Capital Aid Corporation was established in 1966 with the object of purchasing from municipalities debentures issued by them for school board undertakings, public library purposes and grants to associations constituted for the promotion of the welfare and education of retarded children. Interest paid on advances is equal to the net interest received by the Corporation from its investments.

Ontario Housing Corporation, established in 1964, co-ordinates the development and management of residential accommodation in Ontario that is financed out of public funds. This balance is made up of advances of \$171,883,313 to December 31, 1972 as shown by the balance sheet of the Corporation and net disbursements of \$49,299,750 made by the Treasurer of Ontario between January 1, 1973 and March 31, 1973.

Housing Corporation Limited was established in 1948 to facilitate the financing of new low-cost houses in Ontario through second mortgages. This program was discontinued in 1949 when the Government of Canada expanded its operations in this field. Under a new program, to assist in home ownership, the Corporation provides first and second mortgages to purchasers of new dwellings.

The Ontario Junior Farmer Establishment Loan Corporation was incorporated in 1952 for the purpose of making loans to assist young qualified farmers in the establishment, development and operation of their farms. This program was discontinued in February 1969. The Province has paid the cost of administration and the Corporation has applied its revenue to the payment of interest on borrowed funds and to the amortization of discount on debentures.

Ontario Development Corporation was established in 1966 with the objects of encouraging and assisting in the development and diversification of industry in Ontario. This asset consists of an investment of \$7,000,000 and advances of \$45,703,133. The investment of \$7,000,000 is the cost of all 7,000 shares, each with a par value of \$1,000, authorized and issued by the Corporation. The advances consist of interest bearing advances of \$10,797,439 and non-interest bearing advances of \$34,905,694 including those made under the Equalization of Industrial Opportunity Program and for Industrial Parks.

The Ontario Municipal Improvement Corporation, incorporated in 1950, has as its object the purchase from municipalities in Ontario of debentures issued by them for municipal works and undertakings.

Ontario Student Housing Corporation was established in 1966 for the purpose of developing housing projects for students and their families.

Northern Ontario Development Corporation was established in 1971 with the objects of encouraging and assisting in the development and diversification of industry in Northern Ontario. The balance consists of interest bearing advances of \$3,464,482 and non-interest bearing forgivable performance loans of \$1,493,523.

The amount owing from sundry municipalities under The Municipal Works Assistance Act is the balance of loans made to municipalities for certain municipal projects. The loans are secured by debentures and are repayable over a twenty or thirty year period ending in 1998.

The amount owing by The Municipality of Metropolitan Toronto is the balance outstanding on debentures issued for subway purposes. Annual payments on principal are required over the period ending in 1995.

Loans to municipalities re investment in water treatment and waste control facilities were formerly the function of the Ontario Water Resources Commission, now absorbed by the Consolidated Revenue Fund as described in the preceding note. For further information see page 7.

The Tile Drainage Act authorizes the Treasurer of Ontario to purchase, acquire and hold debentures issued by municipalities for construction of drainage works. These debentures are payable within ten years of the date of the debentures.

The objective of the Federal-Provincial special development loans program is to stimulate capital spending and related employment especially in municipalities where unemployment is high.

The amount owing by the Township of Elliot Lake is the balance outstanding on debentures issued for stabilization of municipal taxes and other municipal purposes. These debentures are repayable over a period of years with final maturity in 1984.

The objective of the Federal-Provincial employment loans program is to stimulate growth in employment, particularly during winter, by adding to or accelerating capital works projects.

The Town of Kapuskasing debentures held by the Province of Ontario are repayable over a number of years ending in 1994.

The amount owing by the City of Windsor relates to the Sandwich, Windsor and Amherstburg Railway Company and to the Township of Sandwich East.

The debentures of the Improvement District of Manitouwadge, the Moosonee Development Area Board and the Township of Atikokan were issued for various municipal projects and services.

The amount owing by public hospitals is the balance of advances made under authority of The Public Hospitals Act.

The investment in the Liquor Control Board of Ontario represents the Board's investment in fixed assets and stock. The Financial Statement of the Board is shown in Volume 2 of the Public Accounts for 1972-73.

The investment under The Sault Ste. Marie Bridge Act consists of bonds of the International Bridge Authority of Michigan and shares of the St. Mary's River Bridge Company.

The International Bridge Authority of Michigan bonds, with a par value of \$7,850,000, were acquired in 1960 at a cost of \$7,615,072. These bonds, due September 1, 2000, bear interest at the rate of 6% per annum but under the terms of the agreement interest is payable only as funds are available from operations. The accumulated balance of interest remaining unpaid at March 31, 1973 was \$4,696,270.

The investment in the St. Mary's River Bridge Company is the cost of 137 shares purchased by the Province.

OTHER LOANS AND INVESTMENTS—Continued

The investment in the Sandwich, Windsor and Amherstburg Railway Company consists of 2% bonds in the amount of \$250,000 due June 30, 1973-77 and 3% bonds in the amount of \$2,100,000 due April 1, 1980. A special Sinking Fund to meet this latter maturity is held by the Treasurer of Ontario in Deposit and Trust Accounts. The Sinking Fund, on which interest is payable semi-annually, had accumulated to \$1,879,919 at March 31, 1973.

Municipal and school tax credit assistance loans represent reimbursements to municipalities for credits and refunds allowed in accordance with the provisions of The Municipal and School Tax Credit Assistance Act.

The Co-operative Loans Act authorizes the Lieutenant Governor in Council to make loans to any co-operative association to enable it to carry out its objects. The loans are secured by a first mortgage on the real property of the co-operative association and are repayable over a period of twenty years.

The balance under Provincial Student-Aid loans is the total of the principal owing on loans as at March 31, 1973.

Loans under The Fisheries Loans Act are made to persons carrying on the business of commercial fishing or any other business dependent in whole or in part on the taking of fish from waters in which such taking has been prohibited due to pollution of the waters. These loans are secured by promissory notes payable on demand.

The balance owing by sundry conservation authorities is the recoverable portion of grants made for land acquisition and construction of dams and reservoirs. During the year no loans were made and repayments of \$114,275 were received.

For further information concerning Ministry of the Environment—sundry loans and investments see details of the consolidation of the Ontario Water Resources Commission's assets and liabilities into the Province's statement of assets and liabilities which is found on page 7.

FIXED ASSETS

The Government of Canada Debt Account is an amount on which the Government of Canada pays interest at 5% to compensate the Province of Ontario for monies withheld from the Province in the period July 1, 1867 to January 1, 1873.

SCHEDULES TO STATEMENT OF ASSETS AND LIABILITIES—Continued

INACTIVE ASSETS—Continued

The Common School Fund represents Ontario's share in a permanent fund of \$2,677,771 held in trust by the Government of Canada for the Provinces of Ontario and Quebec. The fund is derived from the sale of Crown lands set aside for the benefit of common schools by statutes enacted before Confederation. The Government of Canada pays interest to the Provinces on the principal sum at the rate of 5% per annum, payable semi-annually, in proportion to their respective populations as determined by the most recent decennial census. The present allocation is based on the census of 1971.

The amount outstanding as at March 31, 1973, of Settlers' Loans is unchanged from the previous year as there were no repayments received during the year nor were any new loans made.

RESERVE FOR INACTIVE ASSETS

	\$
Government of Canada.....	4,350,546

A reserve for the full amount of the Government of Canada account has been provided since the present agreement does not call for liquidation of the principal amount.

NET DEBT

	\$
Net Debt.....	2,522,043,433

The net debt of the Province increased by an amount of \$368,504,719 during the year. This increase is the amount of the budgetary deficit for the year plus the deficit of the Ontario Water Resources Commission absorbed by the Province April 1, 1972, and is reflected in the accounts by an increase in the liability for Unmatured Debt of \$1,197,689,750 and other liabilities of \$139,792,590 less an increase in Net Realizable Assets of \$968,977,621.

Based on actuarial studies dated December 31, 1970, the Public Service Superannuation Fund has unfunded liabilities as follows as at March 31, 1973:

1. An initial unfunded liability of \$82,616,000, upon which interest is credited annually to the Fund.
2. An experience deficiency of \$34,625,000 upon which contributions in the amount of \$19,695,400 had been made as of March 31, 1973.

The Public Service Superannuation Fund is the pension fund for Ontario public servants.

The balance in the Legislative Assembly Retirement Allowances Account is the pension fund for members of the Legislative Assembly.

Program description:

This program includes: the development of fiscal policy in relation to Governmental expenditures the preparation of the budget; the study and advice on trends in the field of public finance and the effect of the policies of governments in connection with public borrowing. The program also supports the internal operations of the Government by providing the following services: determination of central accounting policy and audit standards; research into and design of accounting systems; formulation of the banking policy of the Government; and the investment and cash management functions of the Government. In addition, it provides for relief from municipal taxes to the property taxpayer through payment grants and loans to municipalities.

Program description:

This program consists of five activities that provide for the regulation of financial and commercial affairs to promote a high level of ethical business conduct responsive to the needs of the buyer in the market place. This is achieved through disclosure to the public of the essential elements of business transactions including the issuing of securities, registration and licencing of persons dealing with the public to assure a high degree of competence and honesty in their dealings, and examination and surveillance of the financial standing and practices of firms. In addition this program provides services for incorporation of companies, administration of The Motor Vehicle Accident Claims Act in respect of the adjustment of claims and payment of damages occasioned by the operation of stolen, unidentified or uninsured motor vehicles, and provision for appeal hearings with respect to the matters of licencing under various acts administered by the Ministry.

Program description:

This program provides such services as language training, assistance to ethnic groups and newcomers, and support for community organizations. It provides community services to Indian people. Stimulus, guidance and professional assistance to local communities is also provided in developing and operating projects aimed at enriching the leisure time of citizens and in developing community leadership. The involvement of secondary and post-secondary students in a variety of meaningful summer work situations in which they have the opportunity of developing personal skills and knowledge and of assisting groups engaged in community improvement projects is also an activity within this program. The program is also responsible for supervising amateur as well as professional boxing and wrestling contests and supporting amateur sports through financial aid and donations of sports equipment.

To The Crop Insurance Commission of Ontario and
to the Minister of Agriculture and Food

I have examined the balance sheet of The Crop Insurance Commission of Ontario, as at March 31, 1973, and the statements of revenue and expenditure and reserve for payment of indemnities for the year then ended. My examination included a general review of the accounting procedures and such tests of the accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion these financial statements present fairly the financial position of The Crop Insurance Commission of Ontario as at March 31, 1973, and the results of its operations for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

In accordance with Section 11 of The Crop Insurance Act (Ontario) a report on the audit has been made to the Commission and to the Minister.

HOUSING CORPORATION LIMITED

Notes to Financial Statements

December 31, 1972

1. CHANGE OF YEAR END

During 1972 the Corporation's year end was changed from March 31 to December 31.

2. COMPARATIVE FIGURES

Prior year's figures have been reclassified where necessary to conform to December 31, 1972 presentation.

3. MORTGAGES RECEIVABLE, INCLUDING INTEREST

The Corporation advances first and second mortgage loans to developers and individuals. The majority of the loans to developers are for the construction of condominium projects. As individual units are sold, unit ownership is transferred to the purchaser who then assumes responsibility for the portion of the developer's mortgage applicable to the unit purchased. A further aspect of the Corporation's lending activities consists of making mortgage loans to individuals to enable them to construct homes either on land acquired under Ontario Housing Corporation's H.O.M.E. Plan or on land acquired from other sources.

Distribution of mortgages receivable, including interest, is as follows:

	December 31, 1972	March 31, 1972
Developers	\$ 113,373,088	\$ 110,223,887
Individuals	79,841,860	35,941,024
	<u>\$ 193,214,948</u>	<u>\$ 146,164,911</u>

4. ADMINISTRATION FEES

Ontario Housing Corporation provides administrative services to Housing Corporation Limited and charges the cost of these services to the latter Corporation. The fee agreed upon between the two Corporations is \$538,000 for the nine-month period ended December 31, 1972.

AUDITORS' REPORT

We have examined the balance sheet of The Hydro-Electric Power Commission of Ontario as at December 31, 1972 and the statements of operations, source and application of funds, reserve for stabilization of rates and contingencies, and equities accumulated through debt retirement charges for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Commission as at December 31, 1972 and the results of its operations and the source and application of its funds for the year then ended.

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO

NOTES TO FINANCIAL STATEMENTS

1. CHANGES IN FINANCIAL STATEMENTS PRESENTATION

The financial statements at December 31, 1972 reflect a number of changes in presentation and grouping of items. Details of these changes are listed below. The 1971 figures have been adjusted to a comparable basis.

Statement of operations

- The revenue from sales of primary energy, shown by class of customer in prior years, is shown in one amount as "primary power and energy".
- Sales of secondary energy, formerly shown as a reduction of costs, are now included in revenues as "secondary energy".

Balance sheet

- Investments were previously shown as being held for specific funds, and are now shown as one amount titled "Investments".
- Bonds and notes payable have been classified into long-term and current portions, with current maturities included in current liabilities. In previous years, all debt was classified under one heading as "Debt from Borrowings", with current maturities set out in the notes to the financial statements.
- The "Employer's liability insurance fund" has been renamed "Workmen's compensation claims".

2. INTERCHANGE OF POWER

Power purchased and sales of secondary energy include amounts arising from interconnection arrangements for the exchange of power with other power production authorities.

3. NUCLEAR AGREEMENT — PICKERING UNITS 1 AND 2

The Commission, Atomic Energy of Canada Limited, and the Province of Ontario are parties to a joint undertaking for the construction and operation of units 1 and 2 of Pickering nuclear generating station, with ownership of these units being vested in the Commission. Contributions to the capital cost by Atomic Energy of Canada Limited and the Province of Ontario amount to \$231,331,000 and these have been deducted in arriving at the value of fixed assets in service in respect of Pickering units 1 and 2. Commencing with the in-service date of each of the units (July 29, 1971 for unit 1 and December 30, 1971 for unit 2) the Commission makes payments for a period of up to 30 years to each of the parties in proportion to their capital contributions. These payments, termed "payback", are calculated in accordance with the agreement and in a broad sense provide for payments of amounts representing the net operational advantage of having the power generated by Pickering units 1 and 2 as compared with coal-fired units similar to Lambton units 1 and 2. The parties' contributions to the capital cost and their share of "payback" for the years 1971 and 1972 will be adjusted on determination of the final costs of construction of Pickering units 1 and 2, and on adjustment of certain other items affecting the payback calculation which have been provided for on an estimated basis to date.

4. INTEREST

Interest costs consisted of:

	1972	1971
	\$'000	\$'000
Interest on bonds and notes	249,744	218,589
Less:		
Interest earned on investments	27,314	27,281

NOTES TO FINANCIAL STATEMENTS—Continued

5. DEPRECIATION

Since January 1, 1971 all additions to fixed assets and the net book value of thermal-electric generating stations in service at the end of 1970 have been depreciated using the straight line method. All other assets in service at the end of 1970 continue to be depreciated on the sinking fund basis as previously employed.

6. INVESTMENTS

Investments which are included at amortized cost, consisted of:

	1972	1971
	\$'000	\$'000
Government and government-guaranteed bonds	247,676	257,559
Corporate bonds and notes	13,995	995
	<u>261,671</u>	<u>258,554</u>

Market value of these investments at December 31, 1972 was \$249,284,000.

7. CASH AND SHORT-TERM INVESTMENTS

Cash and short-term investments, with short-term investments recorded at cost (approximately market value) consisted of:

	1972	1971
	\$'000	\$'000
Cash	5,803	7,732
Notes of, and interest-bearing deposits with, banks and trust companies	126,886	47,861

Total Bonds payable	<u>3,862,252</u>	<u>3,418,170</u>

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO

NOTES TO FINANCIAL STATEMENTS—Continued

(b) The liability for bonds payable in foreign currencies is translated to Canadian currency at the rates of exchange at time of conversion. When bonds are retired, exchange losses or gains are recorded in the reserve for stabilization of rates and contingencies. Translated at the rates of exchange which prevailed at December 31, 1972 the total liability for bonds payable in foreign currencies would be decreased by \$37,800,000. This decrease would have been approximately \$13,000,000 at April 9, 1973 following world currency revaluations.

(c) Bonds maturing in the next five years are as follows:

	\$'000
1973.....	59,875
1974.....	108,863
1975.....	78,360
1976.....	171,617

9. PENSION AND INSURANCE PLAN

The Pension and Insurance Plan is a contributory, benefit-based plan covering all regular employees of the Commission. The most recent actuarial valuation of the plan, at December 31, 1970, indicated an unfunded liability of approximately \$32,000,000.

The pension costs for each year include current service costs and the amount required to amortize the unfunded liability within the period of time required by The Pension Benefits Act, 1965.

To the Liquor Control Board of Ontario,
to the Minister of Consumer and Commercial Relations, and
to the Lieutenant Governor in Council.

I have examined the balance sheet of the Liquor Control Board of Ontario as at March 31, 1973, and the statements of income, retained income and source and application of funds for the year ended on that date. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion these financial statements present fairly the financial position of the Board as at March 31, 1973 and the results of its operations and the source and application of its funds for the year then ended.

A report on the audit has also been made to the Board, to the Minister and, in accordance with Section 17 of The Liquor Control Act, to the Lieutenant Governor in Council.

To The Milk Commission of Ontario and
to the Minister of Agriculture and Food.

I have examined the financial statement of The Fund for Milk and Cream Producers, administered by The Milk Commission of Ontario, for the fiscal year ended March 31, 1973. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, this financial statement presents fairly the position of the Fund as at March 31, 1973 and the results of its operations for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

A report on the audit has also been made to the Commission and to the Minister in accordance with Section 5 (5) of The Farm Products Payments Act.

For the year ended March 31, 1973**

1. During the years ended March 31, 1972 and 1973 loans were disbursed by the Corporation under section 6 (1) of The Northern Ontario Development Corporation Act. In accordance with section 6 (4) of the Act the loan agreements have been drawn between the borrowers and Ontario Development Corporation. Accordingly, such loans have been deemed as receivable from Ontario Development Corporation.

The amount of any provision for doubtful accounts relative to term loans administered by Ontario Development Corporation for Northern Ontario Development Corporation is applied by the latter Corporation, through a charge to operations, as a reduction of the amount receivable from Ontario Development Corporation with respect to such term loans.

The amount of any performance loan forgiveness relative to performance loans administered by Ontario Development Corporation for Northern Ontario Development Corporation is applied by the latter Corporation, through a charge to operations, as a reduction of the amount receivable from Ontario Development Corporation with respect to such performance loans.

2. Amount shown includes interest due and accrued.
3. Expenses totalling \$203,908 are reflected on a cash basis and have been paid out of moneys appropriated by the Province of Ontario under the authority of The Northern Ontario Development Corporation Act. These expenses do not include certain administrative expenses absorbed by Ontario Development Corporation.

To the Ontario Development Corporation and
to the Minister of Industry and Tourism.

I have examined the balance sheet of the Ontario Development Corporation as at March 31, 1973, and the related statements of income and expense, income and expense on industrial park operations, retained earnings, reserve for contingencies and reserve for replacement of buildings for the year then ended. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Corporation as at March 31, 1973, and the results of its operations for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

In accordance with section 20 of The Ontario Development Corporation Act, a report on the audit has also been made to the Corporation and to the Minister.

ONTARIO DEVELOPMENT CORPORATION

Notes to Financial Statements

March 31, 1973

1. Amount shown includes interest due and accrued.
2. During the years ended March 31, 1972 and 1973 loans were disbursed by Northern Ontario Development Corporation under section 6 (1) of The Northern Ontario Development Corporation Act. In accordance with section 6 (4) of this Act the loan agreements have been drawn between the borrowers and Ontario Development Corporation. Accordingly, the amounts of such loans have been deemed as receivable by this Corporation, and also, as payable to Northern Ontario Development Corporation.

Provision for doubtful accounts excludes the provision relative to term loans administered by Ontario Development Corporation for Northern Ontario Development Corporation. The amount of the provision for doubtful accounts relative to these term loans is applied as a reduction of the corresponding loans receivable, and as a reduction of Ontario Development Corporation's liability to Northern Ontario Development Corporation with respect to such term loans.

Performance loan forgiveness excludes the forgiveness relative to performance loans administered by Ontario Development Corporation for Northern Ontario Development Corporation. The amount of loan forgiveness relative to these performance loans is applied as a reduction of the corresponding loans receivable, and as a reduction of Ontario Development Corporation's liability to Northern Ontario Development Corporation with respect to such performance loans.
3. Contingent liabilities in the form of guaranteed bank loans amount to \$2,972,693 in 1973 and \$1,223,462 in 1972.
4. Expenses totalling \$5,009,757 are reflected on a cash basis and have been paid out of moneys appropriated by the Province of Ontario under the authority of The Ontario Development Corporation Act. These expenses also include certain administrative expenses incurred on behalf of Northern Ontario Development Corporation.
5. Equipment purchases for head and district office administration are charged to expense in the year of acquisition.
6. Certain of the 1972 comparative figures have been restated to reflect the account classifications adopted in 1973.
7. Prior to the 1971/72 fiscal year a reserve for losses was shown as part of the shareholders' equity on the balance sheet of the Corporation, and was intended to cover all contingent losses including those which might arise from the non-collection of term loans receivable. During the year ended March 31, 1972 this latter component, in the amount of \$1,000,000, was returned to retained earnings and re-allocated as an allowance for doubtful accounts. Consistent with this change the reserve for losses was reclassified as a reserve for contingencies.

ONTARIO HOUSING CORPORATION

Notes to Financial Statements

December 31, 1972

1. COMPARATIVE FIGURES

Comparative figures have been reclassified where necessary to conform to 1972 presentation.

2. CHANGE IN ACCOUNTING

Amortization interest

In prior years the interest portion of amortization charges relating to the Corporation's share of rental housing properties was recorded as a charge to loss on housing operations and as a credit to interest revenue. Effective January 1, 1972 the credit is recorded as a reduction of interest expense while the recording of the charge remains the same as in prior years.

Administration and construction management fees

In prior years internal administration and construction management fees chargeable to various programs were recorded as revenue. Effective January 1, 1972 these fees are recorded as recoveries of administration expenses. Fees charged to other corporations (see note 6) are not affected by this change. They continue to be recorded as revenue.

3. INVESTMENT IN PROPERTIES UNDER AGREEMENTS FOR SALE AND LAND LEASED, AT COST

Agreements for sale and lease contracts have been entered into with respect to individual lots being part of large land developments currently under subdivision by the Corporation. The Corporation retains full title to such lands until agreements for sale are paid in full or until land lessees exercise their option to purchase. The amounts reported for 1972 are actual; those reported for 1971 are estimates as development costs had not been fully established as at December 31, 1971.

4. INVESTMENT, INCLUDING MORTGAGES RECEIVABLE, IN PROPERTIES UNDER DEVELOPMENT

As at December 31, 1972 title to properties amounting to approximately \$18,500,000 was registered in the name of Her Majesty The Queen in Right of The Province of Ontario.

5. RENTAL HOUSING PROPERTIES, AT COST LESS ACCUMULATED AMORTIZATION

Land and building costs are being amortized over the term of the corresponding indebtedness.

6. ADMINISTRATION AND CONSTRUCTION MANAGEMENT FEES

Management fees relating to the operation of Housing Corporation Limited in the amount of \$717,335 and Ontario Student Housing Corporation in the amount of \$170,000 are included in this total by agreement between these two Corporations and Ontario Housing Corporation.

7. LOSS ON PROVINCIAL HOUSING OPERATIONS

Provincial housing properties are those that are developed and administered by the Ontario Housing Corporation. Individual property operating statements are prepared for the benefit of Central Mortgage and Housing Corporation and one hundred and thirty-eight municipalities. The accounting for maintenance expenses for these properties is on a cash basis.

8. FEDERAL-PROVINCIAL HOUSING PROPERTY LOSSES

Federal-Provincial housing properties are developed by Central Mortgage and Housing Corporation and administered by forty-one housing authorities throughout the province. Separate financial statements covering the property management activities of these authorities reflect gross income and expenditures, the net of which is shareable by Central Mortgage and Housing Corporation, Ontario Housing Corporation and, in some instances, by the municipalities. The loss reported on this statement represents Ontario Housing Corporation's share only.

9. SUPPLIES AND EQUIPMENT

Furniture and equipment purchases are charged to expense in the year of acquisition.

10. MORTGAGE GUARANTEE RESERVE

The outstanding balances of mortgages guaranteed as at December 31 are as follows:

	1972	1971
Housing Corporation Limited	\$ 177,932,086	\$ 111,519,842
Approved lenders	46,710,277	2,397,217
	<hr/>	<hr/>
	\$ 224,642,363	\$ 113,917,059

11. PROPERTY DAMAGE RESERVE

The reserve is intended to cover repair costs relating to minor damage by fire, wind, water and vandalism.

12. OPERATING FUNDS FROM THE TREASURER OF ONTARIO

Prior to 1972 Ontario Student Housing Corporation drew operating funds directly from the Treasurer of Ontario. Effective January 1, 1972 this Corporation began to draw its operating funds from Ontario Housing Corporation. In addition, the operating advance liability of Ontario Student Housing Corporation to the Treasurer of Ontario as at December 31, 1971 was assumed by Ontario Housing Corporation.

Consistent with the foregoing, effective January 1, 1972 Ontario Housing Corporation drew operating funds from the Treasurer of Ontario for both its own operations and for those of Ontario Student Housing Corporation.

13. CONTINGENCY

In June 1967, the Ontario Government passed The Condominium Act. The initial response to this new housing legislation from the private sector was limited which prompted Ontario Housing Corporation to embark upon an active program, through Housing Corporation Limited, of financing condominium development. Participation in the financing of more than 14,000 condominium dwellings was undertaken. As an incentive for several of the earlier projects, including Chapel Glen, Flemingdon Woods and Crescent Town, comprising more than 4,000 units, Ontario Housing Corporation provided financial guarantees. The contracts for these three developments in Metropolitan Toronto included clauses whereby Ontario Housing Corporation agreed to purchase any units remaining unsold six months after substantial completion. Due to a slower than expected public acceptance of high-rise condominiums, Ontario Housing Corporation, under the agreements, became liable during 1972 to purchase the unsold units at these three locations. By mutual agreement with the construction companies, the Corporation's liability with respect to the purchase of the unsold units was deferred in exchange for a corresponding deferment of the companies' liability for interest on construction advances.

Although the construction advances referred to are carried as assets by Housing Corporation Limited, Ontario Housing Corporation is financially responsible for any settlement with the construction companies that may be negotiated under the contract clauses described above. As at December 31, 1972, accrued interest on the advances in question amounted to \$5,200,000 and such interest is reflected as income in the accounts of Housing Corporation Limited.

A decision respecting Ontario Housing Corporation's liability has been deferred until October 1, 1973, and until the matter is resolved, the extent of the Corporation's liability is not known.

During 1973, sales at the three locations increased significantly over prior years with two of the three projects being substantially sold out by May 1, 1973.

THE ONTARIO JUNIOR FARMER ESTABLISHMENT LOAN CORPORATION

Notes to Financial Statements

March 31, 1973

NOTE 1: The provisions of the Corporation's mortgage indenture allow the Corporation, without taking title through foreclosure, to sell a farm property in certain circumstances for cash or credit. Upon sale the Corporation may take back a mortgage which differs in amount and bears interest at a different rate than the mortgage outstanding at the time of sale. The excess of the amount of any new mortgage over the amount of the original mortgage outstanding at the time of sale is accounted for as an unrealized gain. The gain remains unrealized until such time as the original mortgage debt is retired.

With respect to interest received on the new mortgage, it had been Corporation practice prior to April 1, 1971 to consider amounts in excess of that which would have been due under the original mortgage, as owing to the original owner or other claimant upon retirement or assignment of the new mortgage. Interest was allowed on funds so held at the rate set forth in the new mortgage.

Based upon legal opinion this practice was modified on a retroactive basis during the year ended March 31, 1972. Interest in excess of that which would have been due under the original mortgage is to be considered as a reduction of the mortgage debt outstanding at the time of sale, until such time as this debt is retired. Mortgage payments received thereafter are to be considered as surplus, and are to be held in trust for the original owner or other claimant by the Corporation pending retirement or assignment of the new mortgage.

Accordingly, interest credited to original owners in previous years on funds held re sales of farm property under Sales Proceedings was reversed during the year ended March 31, 1972 and, in cases where the original mortgage has been fully retired, additional payments received have been credited to "funds held in trust re completed sales". Such funds held in trust are on deposit for ultimate disposition to the original owner or other claimant. As at March 31, 1973 these funds were on deposit with the Province of Ontario Savings Office. As at March 31, 1972 the funds were on deposit with the Treasurer of Ontario.

NOTE 2: The cost of administration has been paid by the Province of Ontario under the authority of The Junior Farmer Establishment Act.

December 31, 1972

1. MATERIALS AND SUPPLIES

With the exception of used rail all materials and supplies are shown at cost. Used rail is shown at estimated utility value.

2. DEPRECIATION

With the exception of highway equipment depreciation is calculated on the straight line basis at rates based upon the estimated service life of the property. Highway equipment is depreciated on the diminishing balance basis at rates based upon the estimated service life of the equipment.

3. CONTRIBUTORY PENSION FUND

As at December 31, 1972, based on the latest actuarial reviews less payments, the remaining unfunded liabilities of the Commission under its Contributory Pension Fund total \$29,835,665. Of this amount \$19,443,107 represents the initial unfunded liability as of January 1, 1965; the balance of \$10,392,558 represents the outstanding amount of unfunded liabilities created subsequent to January 1, 1965. The Commission has been making payments of interest and principal into the Fund in accordance with the Regulations under The Pension Benefits Act. These payments have the effect of:

—Preventing an increase in the initial unfunded liability.

—Liquidating the balance of the unfunded liabilities over a period ending December 31, 1989.

4. STATEMENT PRESENTATION

Certain of the 1971 comparative figures have been restated to reflect the account classifications adopted in 1972.

5. EVENT SUBSEQUENT TO YEAR END

Ontario Student Housing Corporation and
the Minister of Revenue for the
Province of Ontario.

I have examined the balance sheet of Ontario Student Housing Corporation as at December 31,
and the statements of revenue and expenses and operating advances for the year then ended.
examination included a general review of the accounting procedures and such tests of accounting
rds and other supporting evidence as I considered necessary in the circumstances.

In my opinion these financial statements present fairly the financial position of the Corporation
t December 31, 1972 and the results of its operations for the year then ended, in accordance with
rally accepted accounting principles applied, except as indicated in notes 5 and 7, on a basis
istent with that of the preceding year.

A report on the audit has also been made in accordance with Section 17 of Order in Council
/66 under which the Ontario Student Housing Corporation was constituted.

ONTARIO STUDENT HOUSING CORPORATION

Notes to Financial Statements
Year ended December 31, 1972

1. COMPARATIVE FIGURES

Comparative figures have been reclassified where necessary to conform to 1972 presentation.

2. RENTAL HOUSING PROPERTIES ON LEASED LAND, AT COST

The cost of student housing accommodations constructed on land leased from universities being repaid to the Corporation over the terms of the leases. When costs are fully repaid, buildings will become the property of the universities. Rental and maintenance activities are administered by the universities concerned.

3. RENTAL HOUSING PROPERTIES, AT COST

These properties are administered by the Corporation. Net operating costs including amortization charges relating to land and buildings are recovered from the universities concerned. Land and building costs are being amortized over the term of the corresponding indebtedness.

4. OPERATING ADVANCE

Prior to 1972 the Corporation drew operating funds directly from the Treasurer of Ontario. Effective January 1, 1972, the Corporation began to draw its operating funds from Ontario Housing Corporation. In addition, the Corporation's operating advance liability to the Treasurer as at December 31, 1971 was assumed by Ontario Housing Corporation.

As at December 31, 1971, the operating advance from the Treasurer of Ontario amounted to \$556,387, and as at December 31, 1972, the operating advance from Ontario Housing Corporation amounted to \$41,009.

5. INTEREST

Interest revenue and expense figures for 1971 include retroactive amounts of \$2,212,310 and \$1,982,979 respectively. These amounts had been deferred in prior years pending completion of properties then under development.

In prior years amortization interest charged to rental housing properties on Corporation owned land was recorded as revenue. Effective January 1, 1972, such interest is recorded as a reduction of interest expense.

6. ADMINISTRATION FEE

Ontario Housing Corporation provides administrative services to Ontario Student Housing Corporation and charges the cost of these services to the latter Corporation. The fee agreed upon between the two Corporations was \$170,000 for the year ended December 31, 1972.

7. RECOVERY OF ADMINISTRATION EXPENSES

In prior years construction management fees were recorded as revenue. Effective January 1, 1972, such fees are recorded as recovery of administration expenses.

TO THE HONOURABLE WILLIAM ROSS MACDONALD, P.C., C.D., Q.C., LL.D.,
Lieutenant Governor of the Province of Ontario.

MAY IT PLEASE YOUR HONOUR:

The undersigned has the honour to present to Your Honour the supplementary information to the Public Accounts of the Province of Ontario for the fiscal year ended March 31st, 1973, in accordance with the requirements of The Ministry of Treasury, Economics and Intergovernmental Affairs Act, 1972.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'J. White.', with a large, stylized loop at the end of the first name.

JOHN WHITE,
*Treasurer of Ontario,
Minister of Economics and
Intergovernmental Affairs.*

Toronto, November 30, 1973.

NOTE :

The expenditure statements contained in Volume 1 of the 1973 Public Accounts present expenditures by program, activity and standard expenditure object.

The analysis contained in this volume (Volume 3) provides details of payments for each ministry as a whole, categorized by the three major headings "Salaries and Wages" (paid to employees who earned \$20,000 or more in the fiscal year), "Travelling Expenses" (paid to individuals who received \$2,500 or more in the fiscal year) and "Materials, Supplies, etc." (accounts of \$10,000 or more).

These categories are the same as those used in prior years and should not be confused with the standard expenditure object categories appearing in Volume 1.
